

Team Funding Changes as of 1st September 2016

The Club has enjoyed the most amazing success over the last few years and in the last 2 years has been represented at every BRC Championship as well as fielding more teams at Area level than ever before.

However this success comes at a cost and the Club has supported its members throughout the process with Prelim entries at Area Level through to entries, stabling and fuel allowances for Championships. This level of support has paid off with the Club been able to boast 2 Individual Champions and 1 Team at National Championship level all within the last 12 months.

So moving forward there will be some changes to the funding members will receive as this will be reviewed by the committee at the end of each Championship Season (Summer & Winter). A brief outline is as follows:

- The Club will subsidise Area Entries by paying for Prelim Entries.
- The Club will subsidise Championship Entries by paying for them in full.
- The Club will not pay any fuel allowances for any Championships
- The Club will not pay for any stabling at Area or Championship level.
- Helpers Credits can be used to offset the cost of stabling at Championships
 - 10 Helpers Credits = 1 Stable Cost / Night
 - 5 Helpers Credits = ½ Stable Cost / Night
- Members will be encouraged to organise and run their own fundraisers to help support teams stabling costs at Championships and this money will be put into a total pot and then at the end of the Championship year members will receive a refund.
- In future years starting from 1-1-2017, fundraising will be organised so that all money raised within that Championship year will be used to cover costs incurred during the same period.

For more information please contact the relevant Chefs of each discipline or a main committee member.

Regards

Jonathan Pett
Towy Valley Chairman
